**Any Other Way** © R Salagan

What would you give, no one can say  
To be any other way, if it's not enough to live with no control  
What would you say, what would you do  
If I fell in love with you, and we wouldn't have it any other way

How could this be, what we have found  
In the sweetness of our eyes  
Could we pretend, right to the end  
With another blessed Sunday coming down

Lead....

Looking at love going our way, it's another blessed Sunday could we pretend, there is no end,  
and we wouldn't have it any other way

Guitar Break....

Looking at me, looking at you in a very special way,  
If it's not enough to give with no control  
how can you be, looking at me with your sympathetic eyes?  
Cause it couldn't have it any other way.
