

I In A Dream © D Morley-R Salagan

Doo Doo Di I want to say my love is alive
Just waiting inside no more should I hide from you
And like a lover, should I go on my way
Never looking back another day
I want you to know, don't want you to go away
I wanna make it again in your life
I wanna make it with you

I had a dream where everything seemed
Yellow & Rose where everyone knows
A loving inside, no one should hide

I want to say it in so many good ways
I want to say it every night & day
Just hoping you know, don't want you to go away
And like a lover, should I go on my way
Never looking back another day
I want you to know, don't want you to go away
I want to know that I'm not in it alone
I wanna a love that is true

I had a dream it just doesn't seem like Velvet & Rose
As nobody knows the travel as I, no one should hide
Ohhhh.....I IN A DREAM

Bridge:

If I had to say, making my way
It's just not a side, of loving inside
Making a life, making a world, of Body & Mind
Ohmaking us whole I had a dream

I wanna know it if it's just not this way
I wanna know it like night & day
I want you to know, don't want you to go away
Ohhhh.....I wanna a loving that will just stay inside
I want a loving that will just stay inside with me.
