Hey Lord © R Salagan

Hey Lord I cannot hope another day without you
So come to me and let me know just what it means to be free

Hey Lord I cannot see another day without you
So come to me and let me know just how it feels to be loved

La la la la la la ooo.....

Bridge:

If I ever could believe to see a day for my asking you too
But I just can't, no I just can't and so my heart sings out to you, to you

Hey Lord I cannot hope just cannot hope ever being free
So come to me oh come to knee and let me be R.I.P.

Hey Lord I cannot see the face of love anywhere
so come to me oh come to knee and let me be R.I.P.

La la la la la oooooo la

Hey Lord credits: words and music by Robert Salagan all instruments and vocals by Robert Salagan. Second version is the original 45RPM singles released February 14th, 1972 on Polydor Records with Valentine on the flip side.
