The Harder You Fall © D Morley-R Salagan

The harder you fall, The better you feel
The stronger the call, This love becomes real

It's the way you begin, With your love and your heart
That someone let in, Right from the start

Bridge:

Well who would have thought? That no one could win
Until the kindest of heart, Just took you right in

Now the harder you fall, The deeper your love
These words say it all, Like a white flying dove

And it's the way you begin, With your love and your heart
That someone let in, Right there from the start

Lead break.....

The harder we fall, The deeper our love
These words say it all, Like a white flying dove

And it's this way we begin, With love in our hearts
That someone let in, Right from the start

With love in our hearts, That someone let in
With love in our hearts, That someone let in
