Your Misty Dreams © R Salagan

Won't you, come down and see me,
Won't you, come down and see me.

Life is just an understanding,
See no reasons for you're asking why,
Every day becomes the same,
Life with you is just a game, why?
Your Misty Dreams.

So won't you, come down and see me,
Won't you, come down and see me.

I will keep my fire burning with the
Hope that you are learning too,
There's a world of understanding,
Trying harder is not asking so,
So much of you.

So won't you come down and see me,
Won't you come down and be me,
And see me, and be me,
Mm.....
